

SPONSORSHIP IN SERVICE

- **Do you have a Service Sponsor?**
- **Do you make yourself available as a Service Sponsor?**

Sponsorship in AA is basically the same, whether in helping another individual's recovery or in service to a group. It can be defined as one alcoholic who has made some progress in recovery and/or performance or service, sharing this experience with another alcoholic who is just starting the journey. Both types of service spring from the spiritual aspects of the program.

Individuals may feel that they have more to offer in one area than in another. It is the service sponsor's responsibility to present the various aspects of service: setting up a meeting, working on committees; participating in conferences, etc. In this matter, it is important for the service sponsor to help individuals understand the distinction between serving the needs of the Fellowship and meeting the personal needs of another group member.

The service sponsor begins by encouraging the member to become active in their home group - coffee, literature, cleanup, attending business meetings or Intergroup meetings, etc. The service sponsor should keep in mind that all members will not have the desire or qualifications to move beyond certain levels and, thus, the service sponsor might help find tasks appropriate to individuals' skills and interests. Whatever level of service one performs, all are toward the same end sharing the overall responsibilities of Alcoholics Anonymous.

Eventually, the service sponsor encourages the individual member interested in this form of service to attend district meetings and to read about the history and structure of Alcoholics Anonymous. At this point, the individual beginning this work should begin to understand the responsibilities of service work, as well as feel the satisfaction of yet another form of Twelfth Step work. Such individuals should be encouraged to take an active part in district activities and consider being elected to alternate positions in the district so as to learn about the responsibilities of various jobs in the service structure.

During this process it is important for the individual to continue to learn about the three Legacies--Unity, Recovery and Service, and to understand that the principle of rotation not only allows them to move on in service, but also gives newer members the privilege of serving. Rotation also allows them to understand that no one should hold on to a position of trust long enough to feel a proprietary interest and thereby discourage newcomers from service.

Now, through knowledge and experience, the newer member is aware that service is our most important product after sobriety. With this knowledge, the individual is able to share their vision with others and ensure the future of Alcoholics Anonymous.
